Art Show Registration Acknowledgement/Instructions

Thank you for submitting your work(s) for the Findlay Art League's current art exhibition. We sincerely appreciate your decision to display your work to the community in our gallery. The success of the show will be determined, in part, by how many patrons have a chance to experience the show. Therefore, to help ensure the greatest possible level of success, we would ask you to do the following:

1. Attend the Opening Reception so patrons have a chance to meet you and learn more about your art and technique, the deeper meaning behind your work, etc.
2. Post pictures and other information about the exhibit on your social media.
3. Encourage your friends and family to visit the exhibit and enjoy viewing (and buying) the art work. In addition to the exhibit, they can also visit the gift shop and see a wide variety of art and artisanal gifts.
4. When the show is over, please pick up your works during the designated time or as quickly thereafter as possible. (We have very limited storage space and we don't want anything to happen to your works)

Thank you again for participating in our show. If you are not already a member of the Findlay Art League, please consider joining. We are the leading (and oldest) visual arts organization in the region and we would welcome your involvement in our ongoing efforts to "enhance the creative life of the community through the supporting of artists and their work" as stated in the mission statement of the Findlay Art League.
